Victoria R. Lincoln

I have represented the Gatehouse I community as a member of the HHMA Board of Trustees for the past three years. I look forward to continuing to work with this collaborative group as it strives to further enhance the quality and integrity of our neighborhood through thoughtful decision-making and fiscal responsibility.

In addition to my role on this Board, I am also co-founder and Executive Vice President of a boutique executive development organization where I work with Fortune 500 executives and executive teams to help create leadership environments that deliver desired results. Prior to this, I led a consumer banking division and an award-winning multi-million dollar sales organization for a major New York bank.
